## **SUPERVISED RELEASE**

A term of supervised release is required by statute. The terms of imprisonment are to be followed by a total term of supervised release of 20 years. Specifically, I impose a term of 20 years per count for Counts 1, 2, 3 and 5; and 3 years per count for Counts 4, 6, and 7. All counts are to run concurrently.

In light of the nature of the offense and the defendant's personal history, I adopt conditions 1 through 18 as proposed and justified in the presentence report with the modification to special condition number 15.

When the defendant is released from confinement to begin his term of supervised release, if either the defendant or the supervising probation officer believes that any of the conditions imposed today are no longer appropriate, either one may petition the court for review.

---

Defendant is to abide by the statutory mandatory conditions.

### **Statutory Mandatory Conditions**

Defendant shall report to the probation office in the district to which defendant is released within 72 hours of release from the custody of the Bureau of Prisons.

Defendant shall not commit another federal, state, or local crime.

Defendant shall not illegally possess a controlled substance.

If defendant has been convicted of a felony, defendant shall not possess a firearm, destructive device, or other dangerous weapon while on supervised release.

Defendant shall cooperate with the collection of DNA by the U.S. Justice Department and/or the U.S. Probation and Pretrial Services Office as required by Public Law 108-405.

---

Defendant shall comply with the standard and special conditions that have been adopted by this court.

### **Standard Conditions of Supervision**

- 1) Defendant shall not knowingly leave the judicial district in which defendant is being supervised without the permission of the Court or probation officer;
- 2) Defendant is to report to the probation office as directed by the Court or probation officer and shall submit a complete written report within the first five days of each month, answer inquiries by the probation officer, and follow the officer's instructions. The monthly report and the answer to inquiries shall be truthful in all respects unless a fully truthful statement would tend to incriminate defendant, in violation of defendant's constitutional rights, in which case defendant has the right to remain silent;
- 3) Defendant shall maintain lawful employment, seek lawful employment, or enroll and participate in a course of study or vocational training that will equip defendant for suitable employment, unless excused by the probation officer or the Court;

- 10) Defendant shall not enter into any agreement to act as an informer or a special agent of a law enforcement agency without the permission of the Court;
- 11) As directed by the probation officer, defendant shall notify employers and third parties providing volunteer opportunities and educational opportunities; organizations to which defendant belongs; and neighbors and family members with minor children, of defendant's criminal record based on risk associated with his offense, his obligations to register as a sexual offender, and the legal requirements under the Sex Offender Notification Act. The probation officer may also take steps to confirm defendant's compliance with this notification requirement or provide such notifications directly.

### **Special Conditions of Release**

- 12) Provide the supervising U.S. probation officer any and all requested financial information, including copies of state and federal tax returns.
- 13) Submit person, property, residence, papers, vehicle, computers [as defined in 18 U.S.C. § 1030(e)(1), or other electronic communications, data storage device, or media], or office to a search conducted by a U.S. probation officer at a reasonable time and manner, whenever the probation officer has reasonable suspicion of contraband or of the violation of a condition of release relating to substance abuse or illegal activities; failure to submit to a search may be a ground for revocation; defendant shall warn any other residents that the premises defendant is occupying may be subject to searches pursuant to this condition.
- 14) Participate in substance abuse treatment. If defendant is eligible for funding from any source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it. Defendant shall submit to drug testing beginning within 15 days of defendant's release and 60 drug tests annually thereafter. The probation office may utilize the Administrative Office of the U.S. Courts' phased collection process.
- 15) Defendant shall not use alcohol to excess. (Excess is defined as alcohol use so extensive that it materially interferes with the defendant's family or job responsibilities, including drinking within six hours before work or driving.)
- 16) Comply with the requirements of the Sex Offender Registration and Notification Act (42 U.S.C §16901, et seq.) as directed by the probation officer, the Bureau of Prisons, or any state sex offender registration agency in which defendant resides, works, is a student or was convicted of a qualifying offense.
- 17) As approved by the supervising U.S. Probation Officer, undergo psychosexual evaluations which may involve use of polygraph examinations. Defendant shall participate in an outpatient sex offender counseling program if recommended by

the evaluator, which may involve the continued use of polygraph examinations. Defendant's answers to questions by the treatment provider, probation officer and polygraph examiner shall be truthful in all respects unless a fully truthful statement would tend to incriminate defendant, in violation of defendant's constitutional rights, in which case defendant has the right to remain silent. Defendant shall follow all treatment requirements and restrictions. If defendant is eligible for funding from any source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it. Defendant shall allow reciprocal release of information between the supervising U.S. probation officer and the treatment provider.

18) Have no contact with the victim in person, through written or electronic communication, or through a third party, unless authorized by the supervising U.S. probation officer. Defendant shall not enter the premises or loiter within 1,000 feet of the victim's residence or place of employment.

The defendant does not have the means to pay a fine under § 5E1.2(c) without impairing his ability to support himself upon release from custody.

## SCHEDULE OF PAYMENTS

Payments shall be applied in the following order:

The defendant shall receive credit for all payments previously made toward any criminal monetary penalties imposed.

In the event of a civil settlement between victim and defendant, defendant must provide evidence of such payments or settlement to the Court, U.S. Probation office, and U.S. Attorney's office so that defendant's account can be credited.
